

Agricultural Field Burn Permit

This schematic is only for counties for which Ecology is the air authority. If your project is located in Benton, Clallam, Clark, Cowlitz, Grays Harbor, Island, Jefferson, King, Kitsap, Lewis, Mason, Pacific, Pierce, Skagit, Skamania, Snohomish, Spokane, Thurston, Wahkiakum, Whatcom, or Yakima County, the local air authority has jurisdiction. Local permitting processes may differ.

Decision should be reached within one week of receiving a complete application
