GOVERNOR'S OFFICE FOR REGULATORY INNOVATION & ASSISTANCE

Notice of Intent (NOI) and Siting Criteria

Applicant | **Department of Ecology** | **Public or other interested party**

Start

Application Phase

Applicant submits a "Notice of Intent" (NOI) to apply for:
- A new Dangerous Waste Permit

OR
- A significant expansion under a reissued permit or permit modification

(A) (B)

Where applicable, **Ecology** sends a notice letter plus information on Citizen Proponent Negotiation (CPN) to local governments — 14 days

Additional Information. Link to Citizen Proponent Negotiation (CPN) Process (C)

Applicant submits a Demonstration of Compliance with Siting Criteria

Ecology reviews Demonstration of Compliance with Siting material

Ecology requests additional information

Applicant corrects or supplements application

Ecology determines facility meets every siting criterion

Ecology determines facility does not meet every siting criterion

Is this a new permit?

No | **Yes**

Ecology provides public notice on tentative decision to deny siting demonstration

Public can submit written comments on Ecology's tentative decision

Does **Ecology** accept that the facility demonstrates a "net increase in environmental protection"?

Yes | **No**

Review and Issuance Phase

Ecology provides public notice on tentative decision to accept siting demonstration

Public can submit written comments on Ecology's tentative decision

After public comment, Ecology may change their decision

Appeal Phase

Applicant can appeal Ecology decisions to Washington Pollution Control Hearings Board (E)

Ecology issues Part B permit

Ecology denies permit

Public can appeal Ecology decisions to Washington Pollution Control Hearings Board (E)
