Resource Conservation and Recovery Act
Site Identification Number (RCRA Site ID)

**Applicant**

Start

Applicant reviews activities requiring an RCRA Site ID Number (triggering mechanisms).

Does the Applicant exceed Quantity Exclusion Limits?

Yes: Small Quantity Generator

No: Applicant chooses to register for an RCRA Site ID Number as an SQG.

Applicant submits a Dangerous Waste Site Identification Form.

**Department of Ecology**

Ecology reviews form for completeness.

Incomplete

Complete

Ecology issues RCRA Site ID Number.

**Public or other interested party**

**Review and Issuance Phase**

Applicant reports waste activities to Ecology annually.

**Legend:**

- A = Hyperlink
- = Progression
- = Revision
- = Optional

For more information on this or any permitting process visit [http://www.otia.wa.gov](http://www.otia.wa.gov) or call the Governor’s Office for Regulatory Innovation and Assistance at (800) 917-0043

Rev. 2014 04 03

Please note: Ecology provides pollution prevention and compliance assistance to all hazardous waste generators, but actually regulates medium and large quantity generators.

RCRA Site ID Number is not required for an SQG, but there are Best Management Practices to follow.
